**ACI AVIATION CONSULTING SUCCESSFULLY REMARKETS
ONE BOMBARDIER DHC-8-102 FOR KEY EQUIPMENT FINANCE**

ACI Aviation Consulting (ACI) successfully remarketed a Bombardier DHC-8-102 aircraft, serial number 378, on behalf of Key Equipment Finance. The outcome was successful for both Key Equipment Finance and the buyer, Widerøe. The sales price for the Bombardier DHC-8-102, which was being operated by Piedmont Airlines, was not disclosed. CEO and Chairman of ACI, Mr. Quentin Brasie commented, “We are very happy to have successfully remarketed another asset for one of our clients.”

ACI Aviation Consulting provides comprehensive consulting, valuation, and remarketing services to the aviation industry. For more information visit their website at www.aciaviation.com or contact them directly at (540) 428-4388 or info@aciaviation.com.
