

## **ACI AVIATION CONSULTING BROKERS SALE OF TWO DASH 8 AIRCRAFT FOR KEY BANK**

**August 17, 2006**

Just released, ACI Aviation Consulting (ACI) has successfully remarketed two DASH 8-100 turboprop aircraft for Key Bank. The DHC-8-102 aircraft, serial numbers 275 and 314, were sold to Provincial Airlines Limited. The selling price for the two aircraft, which were returned off-lease from Horizon Air, was not disclosed.

“ACI is pleased to have successfully concluded another aircraft recovery and sale for one of its clients”, said Mr. Quentin Brasie, Chairman and CEO of ACI. Mr. Brasie went on to say, “The successful conclusion of these aircraft sales indicates our high level of client commitment and our success rate with aircraft, engine and Ground Support Equipment (GSE) remarketing assignments. When engaging ACI, we have the unique ability to conduct all of the return work in-house, including the remarketing duties”.

Over the past 3+ years ACI has remarketed aviation assets totaling more than US\$22 million. These assets have included commercial and corporate aircraft, engines, spare parts, and GSE. ACI provides comprehensive consulting, valuation, and remarketing services to the aviation industry.
