

PRESS RELEASE

ACI AVIATION CONSULTING SUCCESSFULLY REMARKETS FIVE PRATT AND WHITNEY ENGINE MODULES

August 24, 2007

ACI Aviation Consulting (ACI) successfully remarketed five Pratt and Whitney 2037 engine modules on behalf of Icon Capital Corp. While the sales price is undisclosed it was a successful outcome for both Icon Capital Corporation and the buyer Aeroturbine, Inc.

ACI Aviation Consulting is full service aviation firm, offering a wide variety of professional services to the aviation community to include aircraft and part valuations, litigation assistance, expert witness services and remarketing assistance.
