### **ACI Aviation Consulting Relocates Corporate Headquarters**

ACI Aviation Consulting (ACI) and the *Airliner Price Guide* is pleased to announce that it has relocated its corporate headquarters to the Cannon Professional Building located in Warrenton, Virginia. “The growth of the business in the last two years prompted the decision to move to a much larger facility. The new office will help ACI and the *Airliner Price Guide* to serve its expanding client base”, said Mr. Quentin Brasie Chairman and CEO of ACI and the *Airliner Price Guide*. The new address of ACI and the *Airliner Price Guide* is 568 Waterloo Rd , Suite 102 Warrenton, VA 20186

ACI Aviation Consulting is a full service aviation consulting corporation. ACI also owns and publishes the *Airliner Price Guide*, which has been providing current market values of commercial and regional aircraft and engines to the aviation industry for over twenty (20) years.
